

SHOWWORK PARTNER PROGRAM AGREEMENT

This Agreement sets out the terms of the Showwork Partner Program between Showwork. ("Showwork"), and [Partner Full Name / Business Name] ("Partner"), effective as of [Date].

1. Program Overview

The Partner refers qualified prospective customers to Showwork using a unique referral link. In return, Showwork provides referral commissions, onboarding and support, a dedicated Partner Manager, marketing resources, a Partner Dashboard, and performance-based incentives.

2. Referrals & Qualification

Showwork will issue the Partner a unique referral link, which the Partner must use for all referrals. A referral qualifies only if the customer is new to Showwork, is attributed to the Partner via the link, makes a qualifying payment, and is not flagged as fraudulent, duplicated, or self-referred. Showwork's attribution records are determinative.

3. Commission Structure

The Partner earns **10% commission** on qualifying subscription payments (Showwork and Content Workspace plans, initial and renewal) from customers attributed to them, for **12 months** from the customer's first qualifying payment. One-time project fees, Portfolio subscriptions, refunds, chargebacks, and taxes are not commissionable. Commission is earned only once a payment is final and not subject to reversal; Showwork may void commissions tied to refunds, fraud, duplicate accounts, or abusive referrals.

4. Payouts

Approved commissions are paid out once the Partner's balance reaches the minimum threshold of **NGN 5,000**, subject to Showwork's standard payout process and accurate payment details on file. The Partner is responsible for any taxes owed on income received.

5. Onboarding & Performance Rewards

New Partners receive **one month of complimentary Showwork access** to learn the product. Additional complimentary months may be unlocked based on qualifying paying customers referred (cumulative, capped at 12 additional months unless Showwork approves otherwise in writing):

Qualifying Customers	Additional Access
1	First month (included)
5	+1 month
10	+2 months
25	+3 months
50	+6 months
100	+12 months

Only completed, qualifying paying customers count — trials and unpaid sign-ups do not.

6. 60-Day Activation

Partners are expected to actively generate referrals. If a Partner has zero qualifying paying customers within 60 days of onboarding, Showwork may mark the account inactive, pause new referrals, or end the partnership — typically after reaching out first. Ending a partnership does not cancel commissions already validly earned within their 12-month window, unless termination is for fraud or serious misconduct.

7. Partner Support

Each Partner is assigned a Partner Manager (subject to capacity) who assists with onboarding, referral strategy, product education, and general questions. Showwork may also provide additional sales materials, demos, or training to Partners who need help converting referrals.

8. Partner Responsibilities

The Partner agrees to represent Showwork accurately and professionally, use only approved marketing materials, comply with applicable advertising and privacy laws, avoid spam, and safeguard their referral link and account.

Prohibited: fake or duplicate accounts, self-referrals, fraudulent payments, manipulating attribution, false claims about Showwork, misrepresenting affiliation (e.g. as an employee or agent), unauthorized discounts, or spam/deceptive advertising. Violations may result in suspension, termination, and forfeiture of associated commissions.

9. Relationship, Confidentiality & Brand Use

The Partner is an independent partner, not an employee, agent, or joint venture partner of Showwork, and may not bind Showwork to any obligation. Referred customers remain Showwork's customers, and Showwork handles all product delivery, billing, and support. Each Party will keep the other's confidential information (pricing, customer, product, and business data) private and use it only for the partnership. Approved marketing materials may be used solely to promote Showwork; Showwork's trademarks and logos may not be altered or used in a way that creates confusion about ownership.

10. Data Privacy & Partner Status

The Partner must comply with applicable data protection laws when handling prospective customer information, and should route prospects through their referral link so data goes to Showwork directly. Showwork may classify a Partner as Active, Inactive, Suspended, or Terminated based on activity or conduct.

11. Termination

Either Party may terminate this Agreement with written notice. Showwork may terminate immediately for fraud, misuse of the referral system, misrepresentation, legal violations, reputational harm, or material breach. Except in such cases, termination does not cancel commissions already validly earned; existing referrals may continue generating commissions through their remaining 12-month window.

12. General Terms

Showwork may update the Partner Program from time to time; material changes will be communicated and will apply prospectively, without retroactively cancelling commissions already earned. Participation does not guarantee any level of income or referrals — all figures and examples are illustrative. The Partner may describe themselves as a "Showwork Partner" but may not claim ownership, employee status, authority to bind Showwork, or the ability to alter pricing or product commitments. This Agreement is governed by the laws of the Federal Republic of Nigeria, with disputes first addressed through good-faith discussion. This Agreement is the entire understanding between the Parties on this subject and may only be amended in writing.

Acceptance

By signing below, both Parties confirm they have read, understood, and agree to the terms of this Agreement.
